Jeff - I apologize in that I failed to check with my technical staff prior offering to transmit the document today - The vote here was to wait until we make a few more changes and then send it to you and Dan tomorrow -

Hi Scott:

I did receive you voice mail regarding the IB report and the upcoming meeting with the AG. We appreciate the report coming in this afternoon. Regarding the meeting, the EPA attendees will be driving to St. Louis the afternoon of the 5th staying at our usual place when we attend CAG meetings. We couldn't get a conference room at the hotel so we will be having a pre-meeting at 5:30 located at the Coldwater Creek Site project trailer for an hour or two. Our attorney is coordinating with the airport staff on where portion and will provide that info shortly. I'll keep you informed as things evolve.

Jeff.
